Kevin,

I am waiting for PM and/or Jason to confirm the director ASP. I used [REDACTED] as a start to get a sense of revenue associated with the program.

Kevin,

Below is the program summary for the internal call tomorrow. I am still fine tuning the below but wanted you to see the flow. My goal was to keep it short to allow time for discussion on the areas of investments. Once we have consensus on the Broadcom side, we can adjust the slides for [REDACTED] (selling focus and will add the terms)

I will also update the overall and program revenue for tomorrow.

The image consists of a vertical column of approximately 15 horizontal black bars of varying lengths. The bars are evenly spaced and extend across the width of the page. The lengths of the bars vary significantly, with some being very short and others being quite long, creating a visual pattern of alternating white space and black blocks.
